

Village of Spring Valley  
 200 North Main Street  
 Spring Valley, New York 10977

6/27/11

## Announcement

In light of last week's major floods and the ensuing damages to residents, the Village of Spring Valley wants to do all it can to bring much needed relief.

Mayor Noramie F. Jasmin and the Village of Spring Valley are working tirelessly to have certain sections of the Village declared by the President of the United States, as a disaster area. Rockland County is presently gathering information necessary to make an application to the Governor of New York, who then must ask the President to declare the effected areas as disaster area. If the Village is recognized as a disaster area, FEMA will then make funds available to cover extensive damages.

If your house or personal property suffered major damage please contact Mr. Aron Wieder, confidential assistant to the Mayor. He can be reached by email at [awieder@villagespringvalley.org](mailto:awieder@villagespringvalley.org) or on his cell 845-304-3660. Someone from Village hall will come down to review your damages.

We strongly encourage you to get estimates of the damages and the cost of the repairs from licensed contractors, electricians and plumbers, for personal damage try to contact a licensed adjuster. Once you have gotten those estimates please submit them to us. If have already spent money for repairs and or gotten estimates please submit them to us as well.

Please find below a general list of damage criteria and estimated amount to be filled out.

Name \_\_\_\_\_ Address \_\_\_\_\_

Phone \_\_\_\_\_ Email (optional) \_\_\_\_\_

Furniture \_\_\_\_\_ \$ \_\_\_\_\_ Clothing \_\_\_\_\_ \$ \_\_\_\_\_

Appliances \_\_\_\_\_ \$ \_\_\_\_\_ Personal items \_\_\_\_\_ \$ \_\_\_\_\_
